

Louise Palmstierna

No matter if a meeting is physical or digital, thought and effort needs to be put into creating an agenda and content that contributes, not only to the people attending, but to the overall purpose and goal of the meeting.

For over twenty years Louise has been contributing to individuals and organizations in developing meeting communication skills in four different roles.

MEETING ARCHITECT & CONTENT PRODUCER – designing and producing impactful meetings. When needed in cooperation with a wide network of skilled specialists in different fields of the meeting & event industry. Meeting architecture and storytelling, topics she often lectures on.

SPEAKER TRAINER – For anyone who wants to develop their ability to touch an audience and get a message through. The client gets support and training through the process of preparation, script writing, rehearsal and coaching on sight if requested.

FACILITATOR – Louise holds space for and facilitate groups to come together in forming and/or reaching a common goal. She designs the process, make sure everyone gets their voice heard and get to contribute in the best way possible.

SINGER - Lucky to bring music into meetings for clients when live music is used as a tool and method in facilitation. Soulful jazz with the debut album "It's time" released in 2020 on vinyl and streaming platforms. www.louisepalmstierna.se
